## Useful Information for TCMS-BA majors

**Orientation activity:** TCMS majors new to TAMU must attend a New Student Conference. Students changing curriculum to TCMS must attend a Change of Curriculum Informational meeting in COMM/TCMS.

**Minors:** Each TCMS major should declare a minor by 60 hours and will be blocked from further registration at 75 hours if no minor is declared.

**Note:** Some minors will not accept students at 75 hours or beyond.

**Required courses in TCMS-BA:** Please note that COMM 230, 330,308, 350 and 360 must be completed before the student reaches 90 hours. These courses are rarely offered in the summer, so plan ahead.

**Required to be enrolled in a TCMS class:** All TCMS majors are required to enroll in at least one class in the major each semester until they have completed the 33 hours of courses needed for the major.

**COMM courses may NOT count as General Electives.**

**Q-Drops for TCMS majors are processed in BLTN 107.**

**75 hour meeting:** All TCMS majors are required to participate in the "Degree Check-up Meeting" during the semester in which they are enrolled in 75 hours. There are no exceptions to this requirement. Students failing to participate will be blocked from registration until they have met this requirement. Students who miss multiple opportunities to attend the meeting will be blocked from pre-registration. The block may extend into Finals.

**Certificates** Students interested in pursuing a certificate should consult with an advisor as early as possible. Certificate participation will not be approved if it delays graduation.

**All students must earn 36 upper division hours in residence at TAMU as one of several requirements for the degree. At least 12 of these hours must be in the major.**

**All TCMS majors required to check TAMU e-mail at least once per day.**
